Education and Public Health Dept.

120. Will the Hon. the Minister for Public Health be pleased to state:-

What share South Kanara will have in the additional grants in 1938-39 for rural dispensaries

The South Kanara D.B. will not get anything out of the provision made for payment of subsidies for new rural dispensaries in 1938-39. as its proposals for the opening of such dispensaries could not be approved by Government since its financial position did not warrant it embarking on any new schemes involving recurring expenditure.

2. The Rao Bd. Kanara applied for sanction for the payment of subsidy from provincial funds for 8 new rural dispensaries proposed to be opened during 1938-39. As the finances of the Dt. Bd. were very unsatisfactory the proposal to open the dispensaries was not approved. Hence no provision has been made in the budget for 1938-39 for the payment of subsidies for the dispensaries referred to above. A draft answer is submitted for approval.
